Wind WERC Shop

When: Thursday, January 8, 2009; from 3:30 pm to 5:00 pm

What: Ninety minute hands-on tour and Wind 101 class. Besides covering the process of installing a small wind turbine, the workshop will also inform you on the best financial strategies for owning a wind turbine, ways to increase your chances for USDA grants and new benefits for wind systems owners.

Who: Any person interested in learning the details on benefits, procedures, incentives and responsibilities of owning your own wind turbine system(s).

Where: The Eco-Domes Conservation Campus at 9121 County Road 23, Brainerd, MN. The Eco-Domes is a solar photovoltaic (pv) and wind powered campus using geothermal technology for heat and cooling.

How: The main consultant/speaker will give a computer enhanced presentation and a hands-on tour.

Why: To educate and inform the participant on the feasibility and benefits of owning a small wind turbine.

Cost: \$10 per person. (If two or more seats are purchased it is \$7 for each person). Call to make your reservations. Literature packet provided.

To reserve your seat call 218-764-2321 or fill out and mail / FAX
